EXECUTIVE COMMITTEE SELF-EVALUATION REPORT TO THE STERA BOARD
on
EXECUTIVE COMMITTEE FUNCTIONS FOR CALENDAR YEAR 2014

Submitted March 9, 2015

1. Executive Committee Meetings

- A. Number of Meetings:** The Executive Committee did not meet during 2014. The meeting of the Executive Committee scheduled to be held on March 20, 2014 was cancelled for lack of a quorum. The meeting was not re-scheduled. There is no Executive Committee Charter, and the STERA Bylaws does not require the Committee to meet a certain minimum of times per year. Accordingly, the Executive Committee meets only when needed to do business for the Board in between Board meetings.
- B. Authority of the Executive Committee to Act for the Board:** The STERA Bylaws specify that if the Executive Committee meets to do business for the Board in between Board meetings, it shall only have the authority to execute the powers of the Board when the Board is not in session if the Board explicitly delegates or specifies "certain matters, powers, or issue parameters so as to give direction to or constrain the authority of the Executive Committee in executing the powers of the Board." During 2014, the Executive Committee Meeting did not act on any matters that it had not been explicitly authorized by the STERA to act upon.
- C. Public Notice of Meetings / Open Meetings Law Compliance:** The scheduled March 20, 2014 Executive Committee meeting was properly noticed and open to the public as required, and the agenda of the meeting were made available to the public on the Authority web site as required. As noted above, the meeting was canceled due to the lack of a quorum, and the meeting was not re-scheduled; accordingly, there were no minutes. However, the Authority did place a document on its web site noting the cancelation.
- D. Summary:**
- **Deficiencies:** None.
 - **Evaluation:** The Executive Committee met its responsibilities in this regard during the year ending December 31, 2014.
 - **Recommendations:** None.

2. Summary Self Evaluation of Executive Committee Functions During Calendar Year 2014
