MEASUREMENT STANDARDS FOR PERFORMANCE EVALUATION

The following are STERA's Measurement Standards for the self-evaluation of STERA's performance, based upon STERA's goals:

- Operating railroad providing adequate rail service
- Increased rail shipping carload volumes
- Opportunities for additional business expansion and development based on rail service
- Documentation of rehabilitation efforts and functional performance railroad line
- Encouragement of safe railroad operations
- Clean audit report and NYS ABO compliance report

These measurement standards were revised and approved by the Authority Board of Directors at the March 9, 2015 meeting. These measurement standards are annually reviewed and updated as appropriate.

**This Policy was approved and adopted on March 9, 2015
 by the Board of Directors of the
 Southern Tier Extension Railroad Authority.**
